Delivery

02 Vision, Mission & Core Values

VISION

To achieve long-term success through trusted relationships, quality delivery, innovation and customer satisfaction.

MISSION

To perform at a high level of quality construction services at fair and competitive prices while maintaining professionalism, integrity, honesty, fairness, timeliness and attention to detail.

QUALITY

Commitment to quality delivery and lasting solutions.

INTEGRITY

Professional, honest and fair relationships.

CLIENT SATISFACTION

A client-centric approach focused on needs and expectations.

INNOVATION

Embracing new technologies and methodologies.

TEAMWORK

Transparent collaboration and shared responsibility.

CONTINUOUS IMPROVEMENT

Learning, monitoring and improving project performance.

03 Chairman & Director Message

“We believe in transforming challenges into opportunities and delivering unparalleled value to our clients.”

ALFATH INDUSTRIES & BUSINESS CO SPC is committed to growth, innovation and excellence. Our management team focuses on maintaining high standards across engineering consultancy, building construction, HVAC systems and logistical transportation while fostering teamwork, transparency and continuous improvement.

Our client-centric approach guides decision-making and supports the delivery of projects with precision, efficiency and quality. Looking ahead, ALFATH remains committed to sustainability, quality, customer satisfaction and continued innovation.

Looking ahead, we remain committed to growth, innovation, and excellence, constantly adapting to meet the evolving needs of our clients and the broader construction landscape. We are excited for the opportunities that lie ahead and look forward to continuing to build a legacy of success, one project at a time.

Thank you for your trust and support.

Sincerely,

ENG. ABDULSALAM SAIF ALHINAI
